

# Chirag Bansal

## Front-end Developer

chiragbansalji400@gmail.com • <https://portfolio-gdzq.vercel.app/>  
• <https://github.com/ChiragBansal-tech>

Competent Front-end Developer with experience in building high-quality, user-friendly web applications. Strengths include expertise in React.js, Next.js, TailwindCSS, and modern front-end technologies. Adept at creating responsive and interactive user interfaces that enhance user experience. Proven ability to collaborate effectively with cross-functional teams to deliver scalable and efficient solutions. Known for problem-solving skills and a commitment to staying updated with the latest industry trends and best practices.

## Experience

### Front-end Developer Intern at Designoweb

May'23-Aug'23

- Developed and maintained user-facing webpages using HTML, CSS, JavaScript and React.js.
- Integrated third-party API's into existing web applications. Worked closely with UX and UI Designers to implement their visual designs into functional code.
- Worked on a Admin Panel of a client with a Senior Dev.

### SDE-1 at Designoweb

Jan'24 - present

- solely Worked on an admin Panel of a client using TailwindCSS and Next.js
- Integrated route and location find map functionalities using OpenLayers.js for location-based data visualization.
- Visualized analytics data through dynamic and interactive charts using ApexCharts.js for actionable insights.
- Implemented state management using Redux and Redux Thunk to enhance application performance and maintainability.
- Acquired basic proficiency in Redux Saga (latest version) for asynchronous data management in preparation for future projects.
- Collaborated on Shopify project, delivering client-driven updates, expanding website functionalities, and enhancing user engagement.
- Designed and developed custom animations for improved UI/UX, including an auto-scrolling search bar placeholder and an interactive premium purchase card animation.
